COLE'S

SPRING TRADE LIST 1881-1956

Plant

America!

An Invitation You're always welcome at Cole's new home. We are located East of Cleveland, halfway between Mentor and Painesville, on Jackson Street. U. S. Route 20 passes 1 block south of our office.

NURSEYMEN FOR 75 YEARS

THE **COLE** NURSERY CO.
PAINESVILLE, OHIO

Phone ELmwood 2-3121

TERMS and CONDITIONS OF SALE

PRICES are F.O.B. nursery at Painesville, Ohio. Any boxing or baling necessary is charged at near cost. Prices in this list are subject to market changes and cancel those in all previous price lists.

TERMS. 1% 10 days; net 30 days to those having established credit with us. Cash orders receive 2% off. Be sure to include enough to cover packing, so as to eliminate C.O.D. costs. Overpayments returned promptly. C.O.D. orders must be accompanied by at least 1/3 of the amount of the order.

CLAIMS for rejections, shortages, or other reason will be entertained only if made within 5 days after arrival of goods.

GUARANTEE. We guarantee all stock to be true-to-name and free of injurious insects or disease. All goods travel at consignee's risk; we assume no responsibility after they leave the nursery. It is mutually agreed that in no case shall we be held liable for a greater amount than the purchase price of any item.

SHIPMENTS. Please state routing of your shipments and method you prefer. Where no instructions are given, we will ship according to the situation, as we think best serves your interest.

TRUCKING

During planting season, our trucks make frequent deliveries to Cleveland, Columbus, Cincinnati, Detroit, Buffalo and Pittsburgh areas. Trucking can easily be arranged to other cities within 500 miles of Painesville. Rates reasonable.

SHADE & ORNAMENTAL TREES

Cole's has long been known for producing the finest in trees for all markets. Continuous research for improved varieties and production methods has resulted in our present leadership in this field. Planted in seven-foot rows, our trees have ample room for proper development of root, body and top. Because all digging and root-pruning is done mechanically, you benefit by a **vastly superior root-system** and consequent transplanting success.

NOTES

The size immediately following the name indicates approximate height at maturity, in cultivation.

Where an item is usually moved with a ball of earth, we indicate the recommended B&B size after the listing, thusly: (4 to 5 ft. 15" Ball), and the price includes balling charges. Should earth balls be desired on other items, prices and weights are listed on page 48.

Although caliper listings of trees are also indicative of top development, we imply no relationship of this measurement to height. This is entirely subject to differences in variety and cultural practices.

	1-4 Each	5-24 Each	25 Up Each
ACER dasycarpum (saccharinum) — 70'			Silver Maple
Fast growing, graceful. Leaves silvery beneath.			
Stands rather wet conditions, heat and drought.

Fastest growth. Foliage dense; fleecy-white flowers late summer.			
Available Next Fall			
ROSA wichuriana (Listed in shrub section)			
VINCA (Listed under Broadleaf Evergreens)			

The thousand (M) rate applies to 250 or more of a kind.

Check Cole's favorable prices on heavy, transplanted Red Barberry. See Page 18

NEEDLE EVERGREENS

Cole's evergreens are properly spaced and sheared to produce dense, symmetrical, colorful specimens. Our light soils produce a naturally fibrous root system that assures successful transplanting. All can be shipped outside the Japanese Beetle Zone.

Prices include a definitely superior job of balling, burlapping and securely rope-tying roots.

Approximate ball sizes are given for your guidance in estimating shipping weights. See inside back cover for ball weights.

	1-4 Each	5-24 Each	25 Up Each
CHAMAEYCYPARIS (Retinospora)		Falsecypress	
p. plumosa aurea — 15'	Goldenplume Falsecypress		
Golden yellow, finely textured foliage. Broad pyramid.

sieboldi — 35'

Siebold Hemlock

Slow-growing, graceful pyramid with dark foliage.

4 to 5 ft. (18" Ball)	20.00		
5 to 6 ft. (21" Ball)	28.00	25.00	

We cannot box balled evergreens for shipment, but can often arrange for truck delivery of small orders. Please inquire.

BROADLEAF EVERGREENS

All have been treated for Japanese Beetle Certification.

	1-4 Each	5-24 Each	25 Up Each
ABELIA grandiflora — 3'			
Glossy Abelia			
Choice arching-spreading evergreen with bright glossy foliage. Pinkish-lilac flowers produced all summer.			
1½ to 2 ft. (11" Ball)	\$ 2.15	\$ 1.90	\$ 1.65
2 to 3 ft. (12" Ball)	2.70	2.35	2.10

DAPHNE cneorum — 1'	Rose Daphne
Low, mounded. Fragrant garlands of rosy-pink flowers, in May and at intervals all summer.	
Available Next Fall	

EUONYMUS fortunei (acutus). Creeper or Vine.	Wintercreeper
Lowest-growing of the evergreen wintercreepers, this gem is seldom over 6 inches high as a ground cover. Small deep green foliage is exceedingly handsome. Can also be grown as a very effective vine to 6 or 8 feet.	
10 to 15 in., Tr., field (\$200 per M)	.30 .25
12 to 15 in., 3 yr. field	.65 .50 .40
15 to 18 in., 3 yr. field	.75 .60 .50

f. coloratus.	Purpleleaf Wintercreeper
Leaves quite large, purplish fall and winter. An excellent ground cover, building up to about 12 inches, or will climb to 8 or 10 feet on support.	
12 to 18 in., 2 yr. field (\$250 per M)	.55 .40 .30
12 to 15 in., 3 yr. field	.60 .45 .35
15 to 18 in., 3 yr. field	.70 .55 .45

f. erecta — 3'	Upright Wintercreeper
Dense, bushy growth. Small glossy leaves. Fine hedge plant, either tightly sheared or grown informally.	
12 to 15 in. extra bushy (\$400 per M)	.70 .55 .45
15 to 18 in. extra bushy (\$500 per M)	.85 .70 .60
1½ to 2 ft. extra bushy (\$700 per M)	1.10 .90 .80
2 to 2½ ft. extra bushy (\$950 per M)	1.50 1.25 1.10
15 to 18 in. heavy (10" Ball)	1.85 1.60 1.35
1½ to 2 ft. heavy (11" Ball)	2.10 1.85 1.60
2 to 2½ ft. heavy (12" Ball)	2.50 2.25 2.00

f. radicans. Vine to 4-5'	Common Wintercreeper
Small round foliage. Good for walls edging, ground cover.	
10 to 15 in. Tr., field (\$200 per M)	.30 .25
9 to 12 in., 3 yr. Field	.65 .50 .40
12 to 15 in., 3 yr. Field (\$450 per M)	.75 .60 .50
15 to 18 in., 3 yr. Field	.90 .75 .65

f. radicans "Sarcxie" — 3½ to 4'	New Upright Euonymus
New, distinct hardy type, narrower than E. fortunei erecta. Leaves glossy, thick, about one inch long, hold their color well in winter. We believe this to be a truly outstanding introduction.	
15 to 18 in. (10" Ball)	2.25 2.00
1½ to 2 ft. (11" Ball)	2.80 2.50 2.25
2 to 2½ ft. (12" Ball)	3.65 3.30 3.00

EUONYMUS — Continued**f. vegetus — 4'**

1-4	5-24	25 Up
Each	Each	Each

Bigleaf Wintercreeper

Thick, leathery, round leaves. Colorful orange fruits in profusion. Will grow as a bush, vine or creeper.

9 to 12 in., 3 yr. field (\$480 per M)	\$.85	\$.70	\$.60
12 to 15 in., 3 yr. field (\$650 per M)	1.10	.90	.80

SPECIALIZATION

TO BETTER SERVICE OUR LARGE WHOLESALE TRADE

The Cole Nursery Company has discontinued its retail mail order and sales lot trade.

To further concentrate our efforts upon giving the best service to you, we have also

Dropped the general perennial line in favor of sales-tested novelties which we are producing in the largest quantities.

Drop in at the nursery and see why we can offer you top quality plants at competitive prices, with service second to none.

Several evergreen blocks are to be cleaned up this spring, with the leftovers to go at bargain prices. These will be quoted only at the nursery.

BALLING SCHEDULE

In this catalog where ball sizes are shown, viz., (15" Ball), etc. this is the approximate size ball supplied. If larger or smaller balls are required, charge will be adjusted to conform to following schedule.

Where balls are required on shrubs, trees, and plants not catalogued (00" Ball), add to listed price according to the following schedule:

Ball sizes, weights, etc. are only approximate as varieties and soil cause them to vary.

Prices include loading on open trucks or trailers. Railroad loading on "Tree" sizes entails extra costs.

Plant Patent No. 1313

America's Newest Tree Sensation

The first new color in a hardy, ornamental shade tree in decades. Bright golden foliage on 8 to 10 inches of branch tips, contrasts with the rich green of the balance of the tree; appears to be in bloom all summer.

- Broadly pyramidal head and excellent branching habit creates a beautiful symmetry unmatched by other honeylocusts.
- Producing only male flowers, Sunburst is absolutely seedless and causes no ground litter.
- Sunburst has been planted from coast to coast, is adaptable to any location and transplants easily. Unusually strong, it has withstood ice and snow storms which completely ruined neighboring trees of other varieties.

SUNBURST PRICE SCHEDULE — 1955-'56

	10-29 Each	30-299 Each	300 up Each
6 to 7 ft., 1 yr. branched.....	\$4.10	\$3.70	\$3.25
